

Artist: Felix Kubin
Title: axolotl lullabies
Label: ORAL
Catalogue # ORAL CD20
Out: June 26, 2007

A collection of remixes and compilation tracks 1999-2006. Carefully edited by Felix Kubin and Eric Mattson, this CD is more than a compilation. It brings lights on the different activities of a great open-minded composer from Hamburg. All these tracks have been composed and recorded by Felix Kubin unless otherwise stated. They have appeared on rare or badly distributed releases. This CD brings back to life these amazing tracks. The power of this release is to build bridges in between compositions belonging to various so-called genres in electronic music in such a way you will be trapped in one of the most enjoyable and dynamic release of 2007. Carefully brought to you by ORAL for the pleasure of your ears.

Key selling points:

Sci-Fi Pop, Magnetism, X-Rays

Felix Kubin lives and works against the gravity with Sci-Fi Pop/Noise/Animation Films/Radio Plays/Experimental Broadcasting. As the messenger of exploding lungs he started his label "Gagarin Records" in 1998 and rules the "syndicate of counter-noise" since 9.9.1999.

Who hasn't heard of Felix Kubin - the 'Whirlwind Wizard of the Ivories', whose appearances on stages at a multitude of health spas rendered audiences almost speechless ?

Press:

Herr Felix Kubin, Lord of the Deranged....I am of the opinion that Herr Kubin is the spearhead of this wacky and unrepentant new musical beastly that is brewing (with a certain amount of fermentation) in Chermannny.
- Mark Poysden, Vital Weekly/NL

...elektronischer Anarchismus a Go Go - Hans Kulisch/SKUG (Vienna)

Hamburg's purveyor of dadatronic experimentalist pop music - CBC / Brave New Waves

This music is the melancholic hum of protons.

Tracks:

1. Binocular Headphone Music (w/Wechsel Garland)
